Weight in mid summer _____ Shoe Size _____

HOW TO ORDER FROM SPECTRUM CYCLES:

Frame sets:

- i. Determine what type of frame set you want. . . (Custom Titanium Super, Custom steel Road, Track, Touring, etc.)
- ii. Fill out the fit sheet sections for RIDING PREFERENCES, CURRENT BICYCLE MEASUREMENTS, CLEARANCES, FRAME TYPE, BRAZE-ONS AND OPTIONS and include the requested photographs.
- iii. Use the back of this form to describe your custom paint job.
- iv. Return this order form by E-mail or Snail mail with your deposit. Personal checks and plastic accepted ([see below*](#)). (200.00 for steel, 500.00 for Titanium) Please ask for a copy of our Payment Policy information sheet.

Complete Bicycles:

- i. Follow the frame set instructions above.
- ii. Check the appropriate box in the COMPLETE BICYCLE COMPONENT GROUPS section.
- iii. Make component substitutions where indicated and be sure to specify clincher or tubular. We are very flexible with substitutions.
- iv. Return this order form with your deposit. A complete bicycle order does not require an additional initial deposit.

Clothing and Accessories:

- i. Check the appropriate boxes on the last page and return this form with a check or credit card information to cover the items ordered, plus 8.00 for shipping.

*Credit Card Information:

We take orders with credit cards, by phone and mail, but **NOT** through the Internet. We suggest that you fill out this order form and mail it in. That way, your credit card information will remain secure.

PHOTOGRAPHIC REFERENCES

Supply photographs of yourself in the following positions on your current bicycle taken at hip level in profile. Please try to keep your posture, ankle position, arm bend, etc. as they are when you are riding. e.g. don't drop your heels or lock your arms. Be sure that you are positioned in the saddle where the saddle wants you, not where your arms or legs want you. Call with questions.

Crank arm facing camera at 2:45, hands in drops.

Crank arm facing camera at 3:00, hands on hoods.

Crank arm facing camera at 6:00, hands on tops.
